GOLDEN OCEAN LINE LTD. is registered Non-Vessel Operating Common Carrier (NVOCC) by the Federal Maritime Commission (FMC), operating under FMC Organization number 026417.

Carrier has opted to publish its Tariff rates and charges or in the alternative to be exempt from tariff publication requirements pursuant to 46 CFR §§520, 531, 532 and OSRA 2022. In that respect Carrier has opted for use of Negotiated Rate Arrangements (“NRAs”) and may also opt to utilize NVOCC Service Arrangement (“NSAs”). NRA means the written and binding arrangement between an NRA shipper or consignee and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination on and after receipt of the cargo by the NVOCC or its agent or the originating carrier in the case of through transportation. The shipper is considered to have agreed to the terms of the NRA if the shipper: (1) provides the NVOCC with a signed agreement; (2) sends the NVOCC a written communication, including an e-mail, indicating acceptance of the NRA terms; or (3) books a shipment after receiving the NRA terms from the NVOCC. If the NVOCC incorporates in the NRA quoted terms the following text in bold font and all uppercase letters: **“THE SHIPPER’S BOOKING OF CARGO AFTER RECEIVING THE TERMS OF THIS NRA OR NRA AMENDMENT CONSTITUTES ACCEPTANCE OF THE RATES AND TERMS OF THIS NRA OR NRA AMENDMENT.”** The effective date of the NRA shall be the date of Carrier’s receipt of Shipper’s and/or Consignee’s acceptance herein. All applicable origin, destination local terminal and/or port charges shall apply to all NRAs and should be considered as a pass-through. Rates may not be modified in an NRA after the time the shipment is received by the Carrier or its agent (including originating carriers in the case of through transportation). NRAs can otherwise be amended by the parties in writing or by acceptance of the quoted NRA amendment by booking the cargo.

Rule 2: Notice to Tariff Users Intent to Utilize Negotiated Rate Arrangements

Effective: 22SEP2023 Thru: NONE Expires: NONE Publish: 22SEP2023

Carrier has opted to be exempt from tariff publication requirements pursuant to 46 CFR §§520, 531 and 532. In that respect Carrier has opted for use of Negotiated Rate Arrangements (“NRAs”) and may also opt to utilize NVOCC Service Arrangement (“NSAs”). NRA means the written and binding arrangement between an NRA shipper or consignee and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination on and after receipt of the cargo by the NVOCC or its agent or the originating carrier in the case of through transportation. The shipper is considered to have agreed to the terms of the NRA if the shipper: (1) provides the NVOCC with a written acceptance of the NRA; (2) sends the NVOCC a written communication, including an e-mail, indicating acceptance of the NRA terms; or (3) books a shipment after receiving the NRA terms from the NVOCC, if the NVOCC incorporates in the NRA quoted terms the following text in bold font and all uppercase letters: **“THE SHIPPER’S BOOKING OF CARGO AFTER RECEIVING THE TERMS OF THIS NRA OR NRA AMENDMENT CONSTITUTES ACCEPTANCE OF THE RATES AND TERMS OF THIS NRA OR NRA AMENDMENT.”** The effective date of the NRA shall be the date of Carrier’s receipt of Shipper’s and/or Consignee’s acceptance herein. All applicable origin, destination local terminal and/or port charges shall apply to all NRAs and should be considered as a pass-through. Rates may not be modified in an NRA after the time the shipment is received by the Carrier or its agent (including originating carriers in the case of through transportation). NRAs can otherwise be amended by the parties in writing or by acceptance of the quoted NRA amendment by booking the cargo.

AMENDMENT NO. O

Rule 2A: Application of NRAs and Charges

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

1. NRAs are stated in terms of U.S. Currency and or local currencies, as applicable, and apply per 1 Cubic Meter (M) or 1,000 Kilos (W), as indicated, whichever basis yields the greater revenue, except as otherwise specified. Where the word “Weight” or the letter “W” appears next to an article or commodity, weight rates are applicable without regard to measurement. Where the word “Measurement” or the letter “M” appears next to an article or commodity, measurement rates are applicable without regard to weight. NRAs and other charges shall be based on the actual gross weight and/or overall measurement of each piece or package, except as otherwise provided. NRAs indicated by W/M or WM are optional weight or measurement rates and the rate yielding the greater revenue will be charged.

2. Except as otherwise provided, all "Port" (i.e., Port-to-Port) rules published herein apply from/to places where the common carrier originates or terminates its actual ocean carriage of cargo. Tolls, Wharfage, Cost of Landing, and all other expenses beyond the port terminal area are for account of Owner, Shipper or Consignee of the cargo and all such expenses levied in the first instance against the Carrier will be billed in an equal amount to the Owner, Shipper or Consignee of the Cargo. NRAs are applicable from Inland Points which lie beyond port terminal areas. Such NRAs shall be inclusive of all charges pertinent to the transportation of cargo and not including Customs clearance assessments or Forwarding Charges, except as provided in each individual NRA. Alternatively, at shipper's or consignee's request, carrier will arrange for inland transportation as shipper's or consignee's agent. All associated costs will be for the account of the cargo. Overland carriers will be utilized on an availability of service basis and not restricted to any preferred Carriers, except as Ocean Carrier deems necessary to guarantee safe and efficient movement of said cargo. Carrier shall not be obligated to transport the goods in any particular type of container or by any particular Vessel, Train, Motor, Barge or Air Carrier, or in time for any particular market or otherwise than with reasonable dispatch. Selection of Water Carriers, Railways, Motor, Barge or Air Carrier used for all or any portion of the transportation of the goods shall be within the sole discretion of the Ocean Carrier.

3. Any Additional Charges which may be imposed upon the cargo by Governmental Authorities will be for the account of the cargo.

4. NRAs do not include Marine Insurance or Consular fees.

5. Description of commodities shall be uniform on all copies of the Bill of Lading and MUST be in conformity with the validated United States Export Declaration covering the shipment. Carrier must verify the Bill of Lading description with the validated United States Export Declaration. Shipper amendments in the description of the goods will only be accepted if validated by United States Customs. Trade names are not acceptable commodity descriptions and shippers are required to declare their commodity by its generally accepted generic or common name.

6. Unless otherwise specified, when NRAs are based on the value of the commodity, such commodity value will be the F.O.B. or F.A.S. value at the port of loading as indicated on the Commercial Invoice, the Custom Entry, the Import/Export Declaration or the Shipper's Certificate of Origin. The F.O.B. value and the F.A.S. value include all expenses up to delivery at the Loading Port.

7. The NRA shown except where predicated on specifically lower values or on an ad valorem basis, are subject to Bill of Lading limit of value.

8. Except as otherwise provided, NRAs apply only to the specific commodity named and cannot be applied to analogous articles.

9. FORCE MAJEURE CLAUSE: "Without prejudice to any rights or privileges of the Carrier's under covering Bills of Lading, dock receipts, or booking contracts or under applicable provisions of law, in the event of war, hostilities, warlike operations, embargoes, blockades, port congestion, strikes or labor disturbances, regulations of any governmental authority pertaining thereto or any other official interferences with commercial intercourse arising from the above conditions and affecting the Carrier's operations, the Carrier reserves the right to cancel any outstanding booking or contract in conformity with Federal Maritime Commission Regulations."

10. Any Tollage, Wharfage, Handling and/or other charges assessed against the cargo at Ports of Loading/Discharge will be for the account of the cargo. Any Tollage, Wharfage, Handling and/or Charges at Port of Loading in connection with storage, handling and receipt of cargo before loading on the vessel shall be for the account of the cargo.

Rule 2-035:

Ocean Carrier Spot Pricing - Congestion Fees - Revenue Recovery Surcharges - Space Arrangement Fees

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

1. Ocean Carriers during the pandemic period commencing on or about February 2020 and currently in place for so long as port congestion is occurring in the United States and globally, have been imposing charges in congested port areas in addition to base rate and sur-charges applicable to Carrier's service contract with ocean carriers in either or both of the following manners:

a. By imposing newly negotiated rate structures as a pre-condition to loading cargo previously tendered by Carrier or its agent, whereby, said Ocean Carrier will not load such cargo unless Carrier accepts such increased base spot rates, or

b. By imposing newly structured sur-charges with nominations such as, but not limited to "Revenue Recovery Surcharges", "Space Arrangement Fees", and other similar titles to indicate charges over and above those in place during the negotiations of the service contract, which are imposed as charges as a pre-condition to acceptance of cargo in a congested port, notwithstanding the negotiated service contract rates and/or surcharges were in place at the time the cargo was tendered to the Ocean Carriers by Carrier or its agent.

c. The term Spot Rates shall apply to either or both procedures defined in Paragraph 1. a) and b) above.

1. Carrier, in view of the Spot Rates practices developed by Ocean Carriers during the pandemic period, shall in order to provide consistency and predictability of transport shall accept such Spot Rates to the extent that not accepting same would lead to non-delivery of cargo, and/or port demurrage and other charges, unless Shipper shall decide and will timely notify Carrier that it is abandoning such cargo, at which time Carrier may take whatever steps necessary in terminating transport and/or asserting liens and effecting the sale of such cargo. To the extent that such cargo is not appropriately abandoned as provided herein, and the sale of the cargo does not cover the freight monies and other charges due to Carrier, Shipper shall remain responsible to Carrier for such charges.

2. Carrier shall define and treat such Spot Rates as Ocean Carrier General Rate Increases ("GRIs"), a term not otherwise defined in the Federal Maritime Commission's regulations. GRIs shall include charges implemented by Ocean Carriers as defined in the term Spot Rates herein. As such, pursuant to 46 CFR §532.5 (d) (2) (iv) such Spot Rates are not included in a Negotiated Rate Arrangement nor a Rules Tariff and shall be charged as a pass-through without a markup by Carrier.

3. To the extent that the increased rates and/or charges imposed by the ocean common carriers are not considered GRIs for whatever reason, Shipper agrees that these increases are an acceptable amendment to the pertinent NRA.

AMENDMENT NO. O

Rule 2-060: Measurement and Weight

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

Tariff reference to "W" and "M" signify 1,000 kilos and 1 cubic meter respectively. Whenever freight charges are assessed on a W/M "weight or measurement" basis or where rates are provided on both a "W" and "M" basis, the freight charges will be computed on the gross weight or the overall measurement of the pieces or packages, whichever computation produces the greater revenue to the Carrier.

1. All packages will be measured in Centimeters and weight in Kilograms.
2. Rounding off- Dimensions

Where parts of centimeter occur in dimensions, such parts below 0.5 cm. are to be ignored, and those of 0.5 cm. and over are to be rounded off to the centimeter above.

3. Calculating Cubic Measurements

The three dimensions in centimeters (rounded off in accordance with (2)) are to be multiplied together to produce the cube of one package or piece in cubic meters to six decimals.

In case of a single package the decimals are to be rounded off at the second decimal, i.e., if the third decimal is below 5 the second decimal remains unaltered; if the third decimal is 5 or higher the second decimal is to be adjusted upwards.

In the case of multiple packages of like dimensions, the cube on one package to six decimals is to be multiplied by the number of packages and the total cube is then to be rounded off to two decimals under the foregoing procedure.

4. Official Measurers and Weighers

The straight loaded shipments of consolidator Cargo, stuffed at Carrier's nominated off dock CY locations, does not require measuring/weighing for purposes of confirming volume/weight of cargo. For such shipments, however, there must be a certificate from an officially appointed Sworn Measurer to confirm the exact location at which the shipment was stuffed into the container.

5. Misdescription, Underweights and Undermeasurement

A. The carrier at loading port will assess freight on the shipments on the basis of the gross weights and/or measurements declared or deemed to have been declared by Shippers. Such assessment is subject to the terms and conditions of the carrier's Bill of Lading. Notwithstanding the foregoing Carrier may arrange at the port/point of destination for the verification of the description, measurement, or weights of all such shipments as they, at their sole discretion, may decide and in all such cases the description, measurements or weights so obtained shall be used for determining the correct amount of freight which has to be paid and expense incurred should be for account of cargo.

B. If the gross weights and/or measurements declared by the Shippers are less than those ascertained and if the Shippers, by notification to the Carrier, within seven (7) days of the vessels sailing from port of loading or the consignees, by notification to the Carrier prior to the shipment leaving the custody of the Carrier, maintain that the gross weights and/or measurements stated by them are correct, freight shall be assessed provisionally on the controllers' figures and subsequently adjusted, if necessary, after an outturn reweighing and/or re-measuring. If such outturn re-weighing, re-measuring and/or resurveying shows that the gross weights, measurements and/or description were understated and/or misdeclared by the Shippers, re-measuring and/or resurveying shall be for the account of the cargo.

Shipper/Consignee for CY origin shipments shall be jointly severally and absolutely liable for any fine, penalty or other sanction imposed upon carrier, its agent motor/rail carrier by authority for exceeding lawful over-the-weight limitations in connection with any transportation services provided under this tariff and occasioned by any act of commission or omission of the shipper/consignee, its agent or contractors, and without regard to intent, negligence or any other factor. When carrier pays any such fine or penalty and assumes any other cost or burden, arising from such an event, it shall be on behalf of and for benefit of the cargo interest and carrier shall be entitled to full reimbursement therefore upon presentation of an appropriate invoice. Nothing in this rule shall require carrier, its agents or motor/rail carrier to resist, dispute or otherwise oppose the levy of such a fine, penalty or other sanction and carrier shall not have any liability to the cargo interest should it not do so. Any charges incurred in re-handling cargo to comply with maximum weight restrictions will be for the account of the cargo.

The party responsible (i.e., the shipper or the consignee) for the shipment exceeding any lawful weight limitation shall indemnify and hold the ocean carrier transporting the shipment, its agents and the motor/rail carrier(s), harmless from any and all damages or liability from claims by whomever brought arising in whole or in part from the shipment exceeding any lawful weight limitation. Rule 2-090: Diversion of Cargo (By Shipper or Consignee)

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

A request for diversion of a shipment will be considered as an amendment to the contract of carriage and will be subject to the following definitions, conditions, and charges:

A. Definition of Diversion:

Any change in the original billed destination (which may also include a change in Consignee, order party, or both). A change in Consignee, order party or both will not be considered as diversion of cargo.

B. Conditions:

1. Requests must be received in writing by the carrier prior to the arrival of the vessel at Discharge Port. Carrier will make diligent effort to execute the request but will not be responsible if such service is operationally impractical or cannot be provided.
2. Cargo moving under a non-negotiable Bill of Lading may be diverted at the request of shipper or consignee. Cargo moving under a negotiable Bill of Lading may be diverted by any party surrendering the properly endorsed original Bill of Lading. Cargo moving under a negotiable Bill of Lading may also be diverted by the shipper or consignee at the carrier's sole discretion without receipt by the carrier of the original negotiable Bill of Lading so long as a new negotiable Bill of Lading is not requested or issued by the carrier. If a new negotiable Bill of Lading is requested by the shipper or consignee, the original negotiable Bill of Lading must be surrendered to the carrier prior to issuance of the new negotiable Bill of Lading.
3. This rule will apply to full Bill of Lading quantities or full container loads only.
4. A shipment may only be diverted once. Shipper may request cancellation of the original diversion request, resulting in delivery of the cargo to the original billed destination, provided that such request is received prior to arrival of vessel at Discharge Port, and provided that all diversion charges as set out in C. below, applicable to the original diversion request, are paid in full prior to the

cancellation request being accepted by the carrier. In no instance will any refund of the diversion charges be made in the event of a cancellation. Any additional expenses incurred by the carrier will be for the account of the cargo.

5. Cargo, which, upon request of Merchant (stowage permitting), is diverted to a Port of Discharge within the Scope of this Tariff other than that shown in the Bill of Lading, shall be assessed the actual amount of expense incurred by Carrier, or as per carrier tariff at time of shipment, whichever is higher, plus, at the sole discretion of the Carrier, depending on the relevant administrative burdens resulting from the diversion, an administrative fee of up to \$50/BL for cargo received and diversion requested prior to vessel departure, or up to \$300/BL for cargo received and diversion requested post vessel departure, from origin port.

6. Diversion charges or administrative charges are payable by the party requesting the diversion.

AMENDMENT NO. O
Rule 2-170: SUBMISSION OF CARGO DECLARATION DATA

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

A. SUBMISSION OF CARGO DECLARATION DATA; DEADLINE FOR SAME.

Pursuant to Customs regulations effective December 2, 2002, Carrier is required to submit certain cargo declaration data for all cargo on board a vessel that will call in the United States (i.e., U.S. import cargo and foreign destination cargo remaining on board the vessel) to the U.S. Customs Service not later than 24 hours prior to the time the cargo is loaded on Carrier's vessel at each non-U.S. port of loading. In order to enable Carrier to comply with this requirement, except as provided in paragraph B of this rule, any person tendering cargo to Carrier that is to be transported to the United States or that will be on a vessel when that vessel calls in the United States must provide the following information regarding such cargo to Carrier in writing (including by electronic transmission) in sufficient time for Carrier to transmit the data to the Customs Service at least 24 hours prior to the loading of the cargo on Carrier's vessel. Failure to comply with these requirements will result in cargo not being loaded.

1. A precise description of the cargo (or the 6-digit HTS number under which cargo is classified) and weight of the cargo or, for a sealed container, the shipper's declared description and weight of the cargo. The quantity of cargo shall be expressed in the lowest external packaging unit (e.g., a container containing 10 pallets with 200 cases shall be described as 200 cases). Generic descriptions, including, but not limited to, 'FAK,' 'General Cargo,' 'Chemicals,' 'Foodstuffs,' and terms such as 'Said to Contain' are NOT acceptable descriptions.

2. Shipper's complete name and address, or the identification number issued to the shipper by the U.S. Customs Service upon implementation of the Automated Commercial Environment ('ACE').

3. Complete name and address of the consignee, owner or owner's representative, or its ACE identification number.

4. Internationally recognized hazardous material code when such materials are being shipped.

5. Seal numbers for all seals affixed to the container.

B. TIME FOR SUBMISSION OF DATA BY SHIPPERS TO CARRIER.

Except as otherwise provided below, the time for shipper to submit data to Carrier shall be as follows:

1. Shippers who submit their shipping instructions in paper format will be required to submit their shipping instructions to Carrier no later than seventy-two (72) hours prior to vessel arrival at the foreign port of load. This applies to all U.S. destined cargo as well as cargo intended to be transshipped at a U.S. port and cargo that will remain on the vessel for carriage to a non-U.S. port.

C. CERTAIN NON-VESSEL OPERATING COMMON CARRIERS.

Non-vessel operating common carriers ('NVOCCs') that are licensed by or registered with the FMC and that have obtained Customs bonds may submit the required inbound cargo declaration data directly to the U.S. Customs Service in accordance with Customs Service regulations and guidelines. For purposes of this provision, an NVOCC is registered with the FMC if it has been issued an Organization Number by the FMC, has published a valid and effective rules tariff, and has posted the required financial security with the FMC.

1. Certification. Any NVOCC that submits cargo declaration information directly to the Customs Service shall, unless notified by the Carrier pursuant to subparagraph C(1) above that it is not required to do so, in lieu of the information required to be submitted pursuant to paragraph A of this rule, provide the Carrier, not later than the deadline for shipper submission of cargo information under paragraph B of this rule, with a written certification stating that the required inbound cargo declaration data for its cargo has been transmitted to the U.S. Customs Service in a timely and accurate manner. Such certification shall describe the cargo tendered with sufficient specificity (including container number) that Carrier may readily identify such cargo.

2. NVOCC Co-Loading. For purposes of this paragraph, the term 'Master NVOCC' shall mean the NVOCC that is the customer of the Carrier and tenders co-loaded cargo to the Carrier in its name. In the event the Master NVOCC submits cargo declaration data for co-loaded cargo directly to the Customs Service, it shall do so for all NVOCCs with which it co-loads. In the event the Master NVOCC does not submit cargo declaration data for co-loaded cargo directly to the Customs Service but NVOCCs with which it co-loads transmit cargo declaration data for their cargoes directly to the Customs Service, it shall be the obligation of the Master NVOCC to provide Carrier with the certification described in subparagraph C (1) with respect to all co-loaded cargo tendered to Carrier by the Master NVOCC.

3. All NVOCCs shall be subject to Paragraphs D and E of this rule.

D. FAILURE TO PROVIDE INFORMATION; DENIAL OF PERMISSION TO LOAD CARGO.

1. In the event Carrier fails to provide the required inbound cargo declaration data to the U.S. Customs Service for all cargo to be loaded on its vessel within the time-period required by Customs Service regulations it may, among other things, be assessed a civil penalty, denied permission to unload the cargo for which information was not timely provided, and/or denied permission to unload any cargo from the vessel on which the cargo is moving. Accordingly, Carrier may refuse to load any cargo tendered to it for which it has not received either (i) the data required by paragraph A of this rule by the deadline specified pursuant to paragraph B; or (ii) the certification required by paragraph C of this rule by the deadline specified therein.

2. Any and all costs incurred by Carrier with respect to cargo in its possession which is not loaded due to the non-provision of information or certification, or which is not loaded pursuant to the instructions of the U.S. Customs Service (regardless of whether or not the required data or certification has been provided for such cargo), including but not limited to inspection, storage and/or re-delivery costs, shall be for the account of the cargo. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including reasonable attorneys' fees and expenses) incurred in connection with such legal action.

E. INDEMNIFICATION OF CARRIER.

If Carrier is assessed a civil penalty or fine or is denied permission to unload cargo, because of the failure of any and all shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s) to provide the information required by this rule and/or by the regulations or guidelines of the U.S. Customs Service in a complete and accurate manner, then such shippers, consignees, cargo owners, NVOCCs, shippers' associations and their agent(s) shall be jointly and severally liable to indemnify and reimburse Carrier for any such penalty or fine and any and all costs, damages or liability, direct, indirect, special or consequential, incurred by the Carrier as a result of the denial of permission to unload cargo or any delays related thereto. Carrier shall have a lien on cargo in its possession for amounts due hereunder and may hold cargo until such amounts (and any other unpaid freights or charges) are paid or sell such cargo after a reasonable period. In the event Carrier is forced to take legal action to collect amounts due hereunder, Carrier shall be entitled to recover all costs (including attorneys' fees) incurred in connection with such legal action.

F. CONFIDENTIALITY. Carrier acknowledges that the information required by the Customs Service may constitute confidential information that is not generally available to the public. Carrier, in accordance with the requirements of Section 10(b)(13) of the Shipping Act of 1984, as amended, will keep confidential, to the extent permitted by law, all Shipper bill of lading information, including information related to underlying shippers and commodities in respect of containers of less than container load cargo containing shipments by more than one Shipper.

AMENDMENT NO. O
Rule 2-210: Free Time Detention / Demurrage / Storage

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

The term "Demurrage" indicates a daily charge assessed to the shipper/consignee for the use of space, the occupation of land at marine terminals and/or services provided at the carrier's load/discharge port, rail ramp or inland container yard (CY) facility when the cargo remains in or on carrier's containers, tanks or trailers and/or such facilities beyond the permitted free-time as stipulated per tariff or contract of the vessel operator or the marine terminal after the expiration of free time. The term "Detention" (includes Tank Demurrage) indicates a charge for the use of equipment. The term "Free time" indicates the grace period for which neither of these charges will be incurred. Any charges for storage, detention or demurrage of freight or containers, as a result of being in excess of the free time prescribed or agreements, assessed by vessel operators on whose vessel cargo is/was transported or terminal operator at origin point or port or destination point or port, including rail yards and container yards due to some default or oversight of shipper or consignee or holder of bill of lading is for the account of such shipper, consignee or holder of a relevant bill of lading ("holder"). The "Merchant" as defined by the carrier's bill of lading and shipper, consignee, holder hereof, and owner of the goods shall be jointly and severally liable to Carrier for the payment of all detention, demurrage or storage charges before, during and after the carriage of the cargo. Carrier as a non-vessel operating common carrier, even for door delivery transportation, will not issue its own demurrage and detention charges in its NRA, NSA or Rules Tariff, its invoice for demurrage and/or detention MUST minimally include the following 13 data elements, pursuant to 46 U.S.C. §41104(d):

1. Date that container is made available.
2. The port of discharge.
3. The container number or numbers.
4. For exported shipments, the earliest return date.
5. The allowed free time in days.
6. The start date of free time.
7. The end date of free time.
8. The applicable detention or demurrage rule on which the daily rate is based.
9. The applicable rate or rates per the applicable rule.
10. The total amount due.
11. The email, telephone number, or other appropriate contact information for questions or requests for mitigation of fees.
12. A statement that the charges are consistent with any of Federal Maritime Commission rules with respect to detention and demurrage.
13. A statement that the common carrier's performance did not cause or contribute to the underlying invoiced charges.

Failure of the underlying ocean common carrier or its terminal operator to include the above items in a demurrage and/or detention invoice, would result in the elimination of the charged party having to pay the applicable charge pursuant to 46 U.S. Code §41104 (f). See Rule 2-220 below with regard to Carrier's obligations relating to demurrage and detention.

AMENDMENT NO. O
Rule 2-220: OSRA 2022 NVOCC Safe Harbor Demurrage Detention

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

A. Since Carrier is not assessing its own Demurrage and Detention charges but shows as Consignee on the Ocean common carrier's Master bill of lading,

Carrier shall timely pass-through without mark up, the ocean common carrier's terminal invoices to the consignee on its house bill of lading. The Commission in a Charge Complaint at 46 U.S.C. §41310 may find the Carrier not liable, and the Ocean carrier could be found liable for refunds or penalties.

B. In the event that demurrage/detention invoices do not include the 13 data elements that are referenced in 46 U.S.C. §41104(d) or otherwise may appear to be inaccurate from the vessel operators/terminals, Carrier may opt to return non-compliant invoices to the vessel operator/terminal with the opportunity to make any necessary adjustments to have invoices become compliant with the Regulations. Carrier may at its option pass through these invoices to shipper for their information only and with notice that these, even though may be challenged might still be due by Shipper depending on whether the FMC rules these are compliant or not compliant with the FMC regulations, or in the case where the ocean common carrier and/or its terminal refuse to release the containers without full payment of the claimed amounts.

C. Should a vessel operator/terminal fail to make necessary corrections to non-compliant invoices within a reasonable timeframe, Carrier may at its option initiate a formal Charge Complaint with the Federal Maritime Commission to advise them of any suspected non-compliances for their investigation.

D. Carrier, at its sole discretion, in order to have cargo released so as to not accrue demurrage for itself and its shipper, may make payment for containers to be released but will retain its rights to seek refunds from the vessel operator/terminal. Carrier reserves its possessory lien rights to be paid these amounts before releasing these cargos in subject containers to shipper. In this event, Carrier may opt, at its sole discretion, to seek refunds from the vessel operator/terminal, which refunds will be returned to shipper to the extent that Shipper has paid those sums to Carrier. Carrier also hereby assigns its rights to the importer or record or other party with a beneficial interest in the containers for purposes of pursuing this matter directly with the ocean common carrier and/or its terminal operator.

E. Carrier shall charge an administrative fee of \$100.00 on a per invoice per container basis for receiving, reviewing, and responding to demurrage, storage, and detention charges which it passes on to its shippers from ocean common carriers, terminals, and/or railroads. Additionally, if Carrier opts to advance payments of demurrage and/or detention on behalf of Merchant, Carrier shall also have to right to charge Merchant 5% on the fees advanced if not paid immediately within 14 days of receipt of the invoice.

F. Carrier shall only be responsible for demurrage and/or detention when it is directly and solely liable for the assessment of those charges. Demurrage and detention resulting from conditions not under the control of Carrier shall not be considered as the liability of Carrier. Equipment and driver scarcities are considered not under the control of the Carrier.

No covenants of Merchant shall be affected by any acts or omissions (whether negligent, deliberate or otherwise) of Carrier or the other covenantees.
- 3.2 In the event that any provisions herein contained are inconsistent with any compulsorily applicable law in any individual case, those provisions, to the extent of such inconsistency, shall be null and void, but the remaining provisions of this Bill of Lading shall remain valid and enforceable, and the validity and enforceability of those provisions in any other case shall not thereby be affected. To avoid doubt, nothing herein contained shall be construed as a surrender by Carrier of any of its Rights and Defences or as an increase of any of its Liabilities under such compulsorily applicable law.
- 3.3 Subject to contrary compulsorily applicable law in the individual case, provisions herein which exempt, exclude, relieve or limit the liability of Carrier, its servants, agents or Sub-Contractors shall be operative and effective notwithstanding (i) any act or omission (whether negligent, deliberate or otherwise) of Carrier, its servants, agents or Sub-Contractors, or (ii) the circumstances or cause of any loss or damage (to which such provisions relate) be unexplained, or (iii) any other matters or causes whatsoever.

- 3.5 Any right or remedy herein conferred on Carrier is in addition to and without prejudice to all other rights and remedies available to it.
- 3.6 References to Clauses are to clauses of the terms and conditions herein. Clause headings and sub-headings are for convenience only and do not affect the construction of the terms and conditions herein.

4. SUB-CONTRACTING

- 4.1 Carrier shall be entitled to sub-contract directly or indirectly on any terms whatsoever the whole or any part of the Carriage and/or its obligations and/or duties hereunder. Merchant hereby consents to such sub-contracting arrangements, and, without prejudice to Carrier's Rights and Defences hereunder, agrees to subject the Goods and the Carriage also to other agreements or terms and conditions of transport, including without limitation Sub-Contractors' bills of lading or other transport documents, which will confer or have conferred extensive Rights and Defences on third parties in respect of the Goods and/or the Carriage.
- 4.2 Merchant undertakes that no claim or demand whatsoever shall be made against any person whomsoever (other than the Carrier) by whom the Carriage is performed or undertaken (including without limitation Carrier's officers, servants, agents and Sub-Contractors) which imposes or attempts to impose on any such person or any vessel owned or operated or controlled by any such person any liability whatsoever in connection with the Goods or the Carriage or this Bill of Lading, whether or not arising out of negligence on the part of such person and whether or not founded in contract, bailment, tort, negligence, trust, breach of express or implied warranty or otherwise. If any such claim or demand should nevertheless be made, Merchant shall Indemnify Carrier against all consequences thereof.
- 4.3 Without prejudice to the generality of the foregoing, every such person shall have the benefit of all the Rights and Defences of Carrier under or pursuant to this Bill of Lading as if the same were expressly made also for such person's benefit. For the foregoing purposes, Carrier contracts for itself as well as agent and trustee of all such persons.
- 4.4 Merchant shall Indemnify Carrier against liabilities arising from or in relation to the Carriage or the Goods or this Bill of Lading insofar as such liabilities exceeds the Carrier's liability limits under this Bill of Lading.

**5. CARRIER'S RESPONSIBILITY
(PORT TO PORT SHIPMENT)**

- 5.1 If Carriage is Port to Port, the responsibility of Carrier shall be limited to that Carriage from and during loading onto the Vessel up to and during discharge from the Vessel. The liability of Carrier shall be determined in accordance with:
- (a) any applicable legislation making the Hague Rules or Hague-Visby Rules compulsorily applicable to this Bill of Lading;
 - (b) if the Carriage is US Carriage, the US COGSA, and unless Clause 7.3 is applicable, such liability shall in no event exceed US\$500 per Package or in case of Goods not shipped in packages per customary freight unit;
 - (c) in any other case, (without prejudice to Carrier's other Rights and Defences) the Hague Rules (Articles 1 to 8 inclusive only) save that unless Clause 7.3 is applicable, such liability shall in no event exceed US\$ 100 per Package or Unit or US\$2 per kilo of the gross weight of the Goods lost or damaged, whichever is lower.
- 5.2 Carrier shall be under no liability whatsoever for loss or damage to Goods before loading or after discharge, howsoever caused. Any services rendered to or in respect of the Goods prior to loading or after discharge shall be services rendered by others procured by Carrier as agent only of Merchant, and in respect of such services Carrier shall have no liability whatsoever.
- 5.3 Notwithstanding Clause 5.2, if and to the extent that any compulsory applicable law provides for any additional responsibility for those part(s) of Carriage before loading or after discharge, Carrier shall have the benefit of all Rights and Defences under such compulsorily applicable law, and, subject thereto, all the Rights and Defences pursuant to or under Clause 5.1(c) during those additional part(s) of the carriage, even though the matter giving rise to Carrier's liability did not occur at sea.
- 5.4 If US COGSA applies then it shall govern Carrier's liability throughout the Carriage by sea and the entire time that the Goods are in the actual custody of the Carrier or its Sub-Contractor from receipt prior to loading and following discharge prior to delivery including but not limited to when the Goods are at any container yard, freight station or area immediately adjacent to the sea terminal before loading onto the vessel or after discharge therefrom.

**6. CARRIER'S RESPONSIBILITY
(COMBINED TRANSPORT)**

- 6.1 If Carriage is Combined Transport, Carrier shall be liable only for loss of or damage to the Goods occurring during the Carriage from the Place of Receipt or the Port of Loading (whichever is applicable) up until the Place of Delivery or the Port of Discharge (whichever is applicable), to the extent set out below.
- 6.2 If the stage of Carriage at which the loss or damage occurred is known or Merchant can prove such stage beyond reasonable doubt, the liability of Carrier shall be determined as follows:
- (a) if it is established that the loss or damage occurred at or during the stage of the Carriage referred to in Clause 5, then in accordance with the provisions thereof;
 - (b) if it is established that the loss or damage occurred at or during any other stage of the Carriage, then:
 - (i) in accordance with any compulsorily applicable law or international convention (including without limitation any applicable international convention relating to carriage by air or land) which provisions cannot be departed from by private contract or agreement to the detriment of Merchant and which would have applied if Merchant had made a separate and direct contract with Carrier in respect of the particular stage of the Carriage at or during which the loss or damage occurred; but
 - (ii) if Clause 6.2(b)(i) is not applicable then in accordance with Clause 6.3.
- 6.3 If the stage of Carriage at which the loss or damage occurred is not known or cannot be proved by Merchant beyond reasonable doubt, then the liability of Carrier shall be determined as follows:
- (a) Carrier shall be entitled to rely on any provisions excluding or exempting or relieving Carrier from liability contained in the Hague Rules (Articles 1 to 8 inclusive only) and to limit liability to US\$100 per Package or Unit or US\$2 per kilo of the gross weight of the Goods lost or damaged, whichever is lesser.
 - (b) Carrier shall be relieved of liability for any loss or damage or any other matter whatsoever arising or resulting from (i) any cause or event which Carrier could not have reasonably avoided, prevented or foreseen; or (ii) compliance with instructions or directions of Merchant or any person authorized to give them.
- 6.4 If the Place of Receipt or Place of Delivery is not duly indicated in the relevant box on the front hereof, Carrier shall be under no liability whatsoever in respect of any matter whatsoever occurring prior to loading of the Goods onto or after discharge thereof from the Vessel and Clauses 5.2 and 5.3 shall apply mutatis mutandis. It shall not be a proper indication if only the name of a port is indicated without specifying an address outside the port area.

7. GENERAL LIABILITY PROVISIONS

7.1 Carrier's Rights and Defences

- (a) The Rights and Defences of Carrier provided in this Bill of Lading shall apply in any action or claim against Carrier for any loss or damage whatsoever and howsoever occurring (and without restricting the generality of the foregoing, including delay, late delivery, non delivery and/or delivery without surrender of this bill of lading) whether the action or claim be founded in contract, tort, bailment, trust, breach of express or implied warranty or otherwise and notwithstanding any negligence, unseaworthiness, deviation, or any fundamental breach of contract on the part of carrier, its officers, employees and/or Sub-Contractors.
- (b) The Carrier shall be entitled to (and nothing to this Bill of Lading shall operate to deprive or limit such entitlement) the full benefit of, and rights to all limitations and exclusions of liability and all rights conferred or authorized by any applicable law, statute or regulations of any country (including, but not limited to where applicable any provisions of the laws of the U.S.A.) and without prejudice to the generality of the foregoing also any law, statute or regulations available to the owner of the vessel(s) on which the Goods are carried.
- (c) Without prejudice to the generality of (a) above, unless contrary to the compulsorily applicable law in the individual case, the defences and limits of liability referred to herein shall apply not only in respect of loss or damage to the Goods, but are also applicable in the event of "loss" of the Goods or loss caused to Merchant (or any of them) by reason of delivery of the Goods to the Notify Party named overleaf or Merchant (or any one of them) without the presentation of this Bill of Lading to Carrier, its employees, agents or Sub-Contractors.

7.2 Inland waterways

Carrier's liability for loss or damage to Goods during inland waterways will be determined as if the loss or damage had occurred during sea carriage.

7.3 Value of Goods

Subject always to Carrier's right to limit liability as contained herein, if Carrier is liable for compensation in respect of loss of or damage to Goods, such compensation shall be calculated by reference to the invoice value of the Goods plus freight and insurance if paid. If there is no (or no bona fide) invoice value of the Goods, such compensation shall be calculated by reference to the value of goods of the same or similar kind and quality at the place and time the Goods are received by the Carrier or the Goods are delivered or should have been delivered to Merchant, whichever value is the lowest.

7.4 Ad Valorem Declared Value

Higher compensation than the limits provided for elsewhere in this Bill of Lading shall not be claimed unless, with Carrier's consent, Merchant has (i) declared the value of the Goods prior to

commencement of the Carriage, (ii) stipulated such declared value on the front hereof, and (iii) paid such additional charges as required by Carrier. In that case the amount of the declared value will be substituted for the Carrier's limits of liability laid down elsewhere in this Bill of Lading and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

7.5 Delay, Consequential Loss

Carrier does not undertake that the Goods or any documents relating thereto shall arrive or be available at any point or place during the Carriage or at the Port of Discharge or Place of Delivery at any particular time (whether advertised or not) to meet any requirement of Merchant or any market or use of the Goods or any other purposes. Carrier shall under no circumstances whatsoever be liable for;

- (a) any direct or indirect loss caused by delay;
- (b) any indirect loss of whatsoever nature and howsoever caused.

If notwithstanding the foregoing, Carrier is found liable for any loss falling within (a) and/or (b) above, its total liability (despite declaration of value and additional freight may have been made and paid pursuant to Clause 7.3) shall be limited to an amount equals the freight or other charges applicable to the relevant stage of the Carriage which have been paid by Merchant.

(For the foregoing purposes, "indirect loss" includes without limitation any consequential loss, loss of profits, loss of market, loss of contract, loss of revenue, loss of use, punitive or exemplary damages or damage.)

7.6 Notice of Loss or Damage

- (a) Unless notice of loss or damage shall have been given in writing to Carrier or his representative at the Port of Discharge or Place of Delivery before or at the time of removal of the Goods into the custody of the person entitled to delivery thereof under this Bill of Lading or, if the loss or damage is not apparent, within three consecutive days thereafter, such removal shall constitute due delivery of the Goods hereunder.
- (b) Any notation of loss or damage on the receipt or notice made by Merchant shall not be binding on Carrier.

7.7 Time-bar

- (a) Carrier shall be discharged of all liability whatsoever in respect of the Goods or this Bill of Lading or the Carriage or anything whatsoever in relation thereto, unless suit is brought in the proper forum and notice thereof given to Carrier within nine (9) months after the date the Goods were delivered or deemed delivered or should have been delivered (whichever is the earliest) unless the compulsorily applicable law in the individual case provide for a longer term of prescription.

8. **MERCHANT'S WARRANTIES
AND RESPONSIBILITY**

8.1 Merchant warrants to Carrier as follows:

- (a) in accepting this Bill of Lading, Merchant agrees to be bound by all stipulations, exceptions, terms and conditions on the face and back thereof, whether written, typed, stamped or printed, as fully as if signed by Merchant;
- (b) in accepting this Bill of Lading, Merchant accepts and is authorized to accept the said stipulations, exceptions, terms and conditions for itself and for all other persons within the meaning "Merchant".
- (c) the particulars relating to the Goods set out on the front hereof have been checked by Merchant on receipt of this Bill of Lading, and that such particulars and all other information relating to the Goods or otherwise provided by Merchant for the Carriage are complete, accurate and true;
- (d) the Goods are lawful goods and contain no contraband or prohibited items;
- (e) without prejudice to Clause 8.1(c) if the Carriage is a US Carriage, all information relating to the Goods is complete, accurate and true and in all respects in conformity and compliance with cargo declaration requirements of the U.S. Customs Regulations and other related laws, rules and regulations;

9. **DESCRIPTION OF GOODS**

- 9.1 This Bill of Lading shall be prima facie evidence of the receipt by Carrier from the Merchant in apparent good order and condition, except as otherwise noted, of the total number of Containers or other Packages or Units indicated on the front hereof as "TOTAL NUMBER OF CONTAINERS OR PACKAGES OR UNITS RECEIVED BY THE CARRIER".
- 9.2 Save as provided in Clause 9.1, Carrier makes no representation or acknowledgement and assumes no responsibility whatsoever as to any weight, measure, quantity, quality, contents, description, marks, numbers, place of origin, value or condition of the Goods (all of which are unknown to it).
- 9.3 Any information on the front hereof relating to any invoice, export or import license, documentary credit, order, contract, or like matters is included solely at the request of Merchant and is not verified by Carrier. No such information shall constitute any declaration of value of the Goods by Merchant or in any way increase Carrier's liability hereunder.
- 9.4 The term "apparent good order and condition" when used in this Bill of Lading with reference to Goods which require temperature control shall in no circumstances be construed to mean that the Goods when received were verified by Carrier as being at the designated carrying temperature.
- 9.5 It is agreed that superficial rust, oxidation or any like condition due to moisture, is not "damage" but is inherent to the nature of the Goods and acknowledgement of receipt of the Goods in apparent good order and condition is not a representation that such conditions of rust, oxidation or the like did not exist on receipt.
- 9.6 Where an "On Board" endorsement is made on the front hereof it means that the Goods are loaded either on board (i) the Vessel, or (ii) rail cars, trucks, lorries, feeder ships, barges or other means of transportation, and are in the custody of an inland or ocean carrier for transportation in accordance with the terms of this Bill of Lading.

Merchant Packed Container

- 10.4 Acknowledgement of receipt by Carrier of a Container not packed by Carrier (a "Merchant Packed Container") is acknowledgement of the receipt only of that Container and not its contents. Carrier assumes no liability for any loss or damage whatsoever to the contents of such Container arising out of:
- (a) the manner in which the Container has been packed;
 - (b) the unsuitability for Carriage of the contents of the Container;
 - (c) (if the Container was not supplied by Carrier) the unsuitability, defective condition or the incorrect setting of temperature controls thereof;
 - (d) (if the Container was supplied by Carrier) the unsuitability, defective condition or incorrect setting of temperature controls thereof which could have been discovered upon reasonable inspection by Merchant at or prior to the time the Container was packed; or

- 10.5 Merchant warrants that all Merchant Packed Containers (i) (which are not provided by Carrier) meet all ISO and/or other international safety standards and are fit in all respects for Carriage; (ii) have been duly inspected prior to and at the time of packing and have been found to be in good repair and condition suitable for packing the Goods and the Carriage; and (iii) the packing and sealing thereof are proper, safe and suitable for the Carriage and the seal number shall be communicated in writing by Merchant to Carrier.

The Hague Rules, the Hague-Visby Rules and the US COGSA shall not apply to such Carriage. Merchant shall indemnify Carrier against all and any extra cost incurred for any reason whatsoever in connection with Carriage of such Goods or livestock.

 - (c) if Clause 16.1(b) is not fulfilled Carrier may in its absolute discretion (but is not obliged to) unpack the Container and deliver the contents for which originals bills of lading have been surrendered without the Container. Delivery of the Goods in such manner shall constitute due delivery hereunder, but will only be effected against payments by Merchant of appropriate charges and expenses as laid down in Carrier's applicable Tariffs.
 - (d) if all or part of the total contents within the Container consists of bulk goods or inappropriate goods, or is or becomes mixed or unmarked or unidentifiable, the respective holders of the bills of lading relating to such contents shall take delivery thereof (including any damaged portion) and bear any shortage in such proportions as Carrier shall in its absolute discretion determine. Delivery of the Goods as aforesaid shall constitute due delivery hereunder.
 - (e) instructions in relation to Carriage which a Merchant may otherwise be entitled to give must be given by all Merchants of all the contents in the Container simultaneously and, if so required by Carrier, together with the production of the originals of all bills of lading covering all the contents in the Container.
 - (f) Merchant undertakes to Indemnify Carrier from and against any and all Liabilities arising from accepting the Goods for Carriage on the basis of the aforesaid special arrangement.

PERFORMANCE**

- 17.1 If at any time the performance of the contract contained in or evidenced by this Bill of Lading is or is likely to be affected by any hindrance, risk, danger, delay, difficulty or disadvantage of whatsoever kind and howsoever arising (whether or not before the Carriage has commenced and whether or not before this contract has been concluded) Carrier has no duty to complete this contract and may at its sole discretion and without notice and liability to Merchant, elect any one or more of the following:
- (a) carry the Goods to the Port of Discharge or Place of Delivery by an alternative route or means; or

- 18.3 Once the Goods have been received by Carrier for Carriage, Merchant shall in no circumstances: (i) impede, delay, suspend, stop or otherwise interfere with Carrier's intended manner of performance of the Carriage or the exercise by Carrier of the liberties conferred by this Bill of Lading or (ii) instruct or require delivery of the Goods at a place or point other than the Port of Discharge or Place of Delivery named on the reverse hereof or such other port or place selected by Carrier in the exercise of the liberties herein.

19. **ABANDONMENT OF GOODS,
ETC.**

- 19.1 Without prejudice to Carrier's other Rights and Defences, in the event that (a) Merchant fails to take delivery of the Goods within 30 days from the first date the Goods are available for collection pursuant to Clause 20.2, or (b) Carrier reasonably considers that there is any breach by Merchant of any of Merchant's warranties or undertakings contained herein including without limitation those in Clauses 12, 13, 14 or (c) in the sole opinion of Carrier the Goods are likely to deteriorate, decay, or become worthless or cause any danger to the Vessel or other goods or property or any person or incur charges, or the Goods cannot safely or properly be carried or carried further at all or without incurring additional expenses THEN Carrier may (but without obligation) at any time (in its sole discretion and without liability and notice to Merchant or requiring any Court order) sell (by private treaty or public auction) or otherwise dispose of or abandon or store the Goods ashore or afloat, under cover or in the open, at any place at the sole risk and expense of Merchant, and apply any proceeds of sale in reduction of the sums due to Carrier from Merchant under this Bill of Lading. Upon such sale, disposal, abandonment or storage, the Goods shall be deemed duly delivered to Merchant under this Bill of Lading. Merchant shall indemnify Carrier from and against any and all Liabilities incurred by Carrier in relation to such sale, disposal, abandonment and storage.

20. NOTIFICATION AND DELIVERY

- 20.1 Any mention in this Bill of Lading of parties to be notified of the arrival of the Goods is solely for the information of Carrier. Failure to give such notification shall not subject Carrier to any liability nor relieve Merchant of any obligation hereunder.
- 20.2 Merchant shall take delivery of the Goods (notwithstanding any loss or damage or any other matter whatsoever) within the time and at the place for collection provided in Carrier's applicable Tariffs, or otherwise notified to Merchant or the Notify Party named on the front hereof. Without prejudice to Carrier's other Rights and Defences, if Merchant fails to take delivery of the Goods within the prescribed time at the prescribed place, the Goods shall be deemed to have been duly delivered to Merchant under this Bill of Lading upon expiration of such time.
- 20.3 If in accordance with the applicable custom or practice or law or regulation or pursuant to orders or instructions of any person having authority given at any stage of Carriage (and whether before or after arrival of the Goods for collection by Merchant), Carrier hands over the Goods into the custody of any government, customs, port or other authority or any other person acting or purporting to act as or on behalf of such government or authority, such hand-over shall be deemed to be due delivery of Goods to Merchant under this Bill of Lading.
- 20.4 Upon delivery or deemed delivery of the Goods to Merchant (or persons authorized by it) all liabilities of Carrier in respect of the Goods shall cease absolutely and immediately (but without prejudice to its other Rights and Defences including without limitation its right to any lien) and all costs and expenses incurred thereafter (if paid or payable by Carrier or its agents or Sub-Contractors) shall upon demand be paid by Merchant to Carrier.
- 20.5 In the event that Carrier, in its entire discretion, agrees at the request of Merchant to deliver the Goods at a port of discharge or a place of delivery other than the Port of Discharge or Place of Delivery identified overleaf, Carrier shall act only as the agent of Merchant in arranging for the delivery of the Goods to the revised port of discharge or the revised place of delivery, and shall be under no liability whatsoever arising from such revised carriage.
- 20.6 Except where wilful misconduct of Carrier is proven, Carrier shall not be liable whatsoever for delivering or releasing the Goods to any person presenting any forged or fraudulent document purporting to be an original of this Bill of Lading or other original document entitling such person to the delivery or possession of the Goods.
- 20.7 When collection or delivery takes place at Merchant's premises, the place of collection or delivery shall be the usual place of loading or unloading the Goods into or from the vehicle and:

 - (b) any assistance which Carrier may give on any matters within the responsibility of Merchant shall be given without any liability whatsoever (including without limitation, liability for damage to or loss of the Goods or other property and injury to any persons); all such

assistance shall be provided
entirely at Merchant's risk and expense.

- 20.8 If a Sub-Contractor in actual or constructive possession of the Goods becomes insolvent or subject to an arrangement with creditors or enters into administration (or equivalent) during the course of the Carriage ("Sub-Contractor Insolvency") then the Carrier will be discharged of any further obligations in respect of the Carriage, including without limitation, completion of the Carriage if the Carrier is unable to obtain repossession of the Goods without paying additional charges to the Sub-Contractor or a third party. The Carrier will have no liability to the Merchant for any losses of whatsoever nature and howsoever arising out of a Sub-Contractor Insolvency and the Merchant agrees to pay, and hold the Carrier harmless against, any costs required to obtain repossession of the Goods and completion of the Carriage. For the avoidance of doubt, the Carrier will always be entitled to receive in full the Freight agreed for the full performance of the Carriage notwithstanding its non-completion owing to Sub-Contractor Insolvency.

- 21.2 Merchant shall indemnify Carrier in respect of any claims of a General Average nature which may be made against it and shall provide such cash deposit or security as Carrier may consider sufficient to cover the estimated General Average contribution of the Goods and any salvage and special charges thereon. Such deposit or security shall, if so required by Carrier, be provided to Carrier prior to delivery of the Goods.
- 21.3 Carrier shall be under no obligation to take any steps whatsoever to exercise any lien or collect or procure any security for General Average contribution due to Merchant.

AND CHARGES**

- 22.1 The provisions of Carrier's applicable Tariffs, which can be found at www.golden-ocean-line.com, are incorporated herein. Particular attention is drawn to the provisions therein relating to free storage time and to container and vehicle demurrage. Copies of the Tariffs are obtainable from the Carrier upon request. In the case of inconsistency between this Bill of Lading and the applicable Tariffs, this Bill of Lading shall prevail.
- 22.2 Quotations as to Freight, rates of duty, insurance premiums or other charges or fees given by Carrier are for information only and are subject to changes without notice and shall not under any circumstances be binding upon Carrier.
- 22.3 All Freight shall be paid at or within the time stipulated in Carrier's applicable Tariffs and in any event before delivery of the Goods. Payment shall be made in the currency named in this Bill of Lading, or, at the option of Carrier in another currency specified by Carrier. Interest at the rate of 12% per annum shall be payable on any overdue amount from the date when payment is due until payment in full. All costs and expenses incurred by or on behalf of Carrier in the recovery of any moneys due from Merchant including legal costs, recovery or collection fees and expenses shall be recoverable from Merchant as a debt.
- 22.4 All persons coming within the definition of Merchant shall be jointly and severally liable for all Freight, and other moneys payable by any Merchant including all advances made by Carrier in Carrier's own discretion and additional or return Freight on the Goods if they are refused export or import by any government body or authority or for any reason whatsoever.
- 22.5 Freight shall be deemed fully earned on receipt of the Goods by or on behalf of Carrier (whether or not Freight is stated on the face of the Bill of Lading as being prepaid or to be collected at destination) and shall be non-returnable. All sums payable to Carrier shall be paid in full without set-off, deduction or counterclaim of whatsoever nature and howsoever arising.
- 22.6 Freight is calculated based on particulars furnished by or for Merchant. Carrier shall be entitled to require Merchant to produce commercial invoice for the Goods or other evidence of their value and to inspect, re-weigh, re-measure and re-valuate the Goods. If the particulars furnished are found to be incorrect, then without prejudice to Carrier's other Rights and Defences, Merchant shall pay Carrier the correct Freight (less any Freight actually paid). All costs and expenses incurred by Carrier in establishing the correct particulars shall be recoverable from Merchant as a debt. Merchant shall indemnify Carrier for Liabilities incurred by Carrier by reason of having relied or acted on the incorrect particulars (including without limitation any Liabilities incurred towards any Sub-Contractor).
- 22.7 Notwithstanding any of the other sub-clauses contained in this Clause 22, for U.S. Carriage, Carrier may opt to be exempt from tariff publication requirements per 46 C.F.R. §520 and 532. Carrier's Rules Tariff are provided free of charge to Shipper at www.golden-ocean-line.com.

Carrier may at its sole discretion exercise its lien at any time and at any place. The lien shall cover without limitation all Freight earned, General Average contributions, all charges, expenses and advances of whatsoever nature due to Carrier and/or Carrier Group and inclusive of any costs incurred enforcing and preserving its lien (including but not limited to storage charges) and in recovering or attempting to recover any sums due from Merchant (whether in respect of the Carriage herein or otherwise).

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

Ocean carriers whose vessels will be traveling through designated Emission Control Areas (ECA), which may also be designated as China's Emission Control Areas, or by other designations, will be required to use fuel with sulfur content of 0.1% or less, a substantial decrease from the 1.0% concentration fuel currently used in maritime shipping. These areas include the Baltic Sea, English Channel, North Sea, and 200 nautical miles off the U.S. and Canadian coasts, and all cargoes originating from Europe destined to all ports in China, including Hong Kong, and Taiwan (including inland destinations). The surcharge may be termed differently by ocean carriers but the main ingredient in common is that the surcharges are related to the increased price of bunker fuels surcharges. Carrier will be passing these charges to shippers pursuant to this Rule, and if a Negotiated Rate Arrangement has been utilized, these surcharges shall be passed on to shippers pursuant to 46 C.F.R. §532.5 (d) (2)(ii).

Rule 14: Co-Loading in Foreign Commerce

Effective: 01JUN2023 Thru: NONE Expires: NONE Publish: 01JUN2023

Definition: Pursuant to 46 CFR §520.2, "Co-Loading" means the combining of cargo by two or more NVOCCs for tendering to an ocean common carrier under the name of one or more of the NVOCCs.

- (2) The Carrier may enter into carrier-to-shipper relationships for the co-loading of cargo with the following NVOCCs from time to time:
- (3) If Carrier enters into a co-loading arrangement which results in a shipper-to-carrier relationship as a tendering NVOCC Carrier shall be responsible to pay any charges for the transportation of the cargo.
- (4) A shipper-to-carrier relationship shall be presumed to exist where Carrier issues a bill of lading to the tendering NVOCC for carriage of the co-loaded cargo unless Carrier and the tendering NVOCC enter a Carrier-to-Carrier Agreement in which case the presumption of a formation of a Carrier to Shipper relationship is rebutted. Carrier's NRA procedures shall be applicable to all co-loading NVOCCs tendering cargo to Carrier as a shipper.
- (5) In case of co-loading, under a shipper-to-carrier relationship, Carrier shall notify shipper of such co-loading action and shall annotate each Bill of Lading with the identity of any other NVOCC with which its shipment has been co-loaded. Such annotation shall be shown on the face of the applicable Bill of Lading issued by Carrier.
- (6) If cargo is accepted by Carrier from another NVOCC which tenders that cargo in the capacity of a shipper, NRA procedures shall apply.
